The announcement in other papers that the Ohio Valley Pulley Works at Maysville had shut down was a mistake and of the premature order. This factory has no idea of closing down and business is booming with it. The only question is their ability to fill orders.

JOHN COX.

Mr. John Cox, a brother of the late Mr. Henry Cox, died in Chicago on last Sunday afternoon.

Mr. Cox had been in feeble health for several years and his death was a release from physical feebleness and suffering.

Broderick, another the wife of Richard H. Collins, the Kentucky historian. The late Miss Lizzie Cox, who made her home with her sister, Mrs. Joseph H. Broderick, was another sister.

He will be remembered by our older citizens as a worthy and exemplary man.

She had been failing in health for some time, and was sent to California by Mrs. Power for a stay of several months, hoping that the change might benefit her.

THE people of France have \$1,000,000,000 deposited in Postoffice Banks; and they draw \$200,000,000 annually as interest on investments in other countries.

SENATOR FORAKER is known as an uncompromising fighter of the never-surrender variety. But he must have seen a light since last spring. Now he is again following along after the ROOSEVELT band wagon, wearing the temporary smile of the trained politician and is figuring out as near as he can the exact spot where the lightning will strike.

THE recent boost in the price of thread is now accounted for. It is said that the profits of the J. & P. Coats Co., limited, manufacturers of thread of Pawtucket, R. I., for the year ending June 30th, last, were \$15,280,625. It also has a great plant in Paisley, Scotland, and 30% in dividends will be declared. When these soulless corporations unreasonably increase prices always look for double dividends and a righteous howl from the consumer.

THERE appears to be little doubt that when the Republicans meet in state convention next year to elect delegates to the Republican National Convention and to reorganize the party organization in Kentucky, WILLIAM O. BRADLEY will succeed JOHN W. YERKES as National Committeeman from the state, and that ROBERT G. WINN of Mt. Sterling will be the successor of RICHARD P. ERNST as Chairman of the Republican State Central Committee.

Gov. BECKHAM's Thanksgiving proclamation is short and to the point. "We have indeed been gloriously blessed," as he says; but he evidently doesn't mean in a political sense.—Frankfort State Journal.

It is said that one of the many progressive acts contemplated by Governor-elect WILLSON is that of having the banks which are now depositories for state funds be required to pay a fixed rate of interest on all moneys deposited with them.

WHY all this fuss and stew about certain cities raising \$75,000 to hold the National Democratic Convention next year to nominate a candidate for the Presidency? Why not just have TOM TAGGART, TOM JOHNSON, OLLIE JAMES and OWSLEY STANLEY, meet and declare Mr. BRYAN the nominee and save the expense of holding the convention? "The Peerless One" is not worth 75 cents to his party, let alone \$75,000.

THERE'LL be 'steen candidates for United States Senator when the Legislature meets on the first Monday in January. Besides Governor BECKHAM, Senator MCCREARY, ex-Governor BRADLEY and a host of others from both sides of the fence now Rev. E. L. POWELL of Louisville proposes HELM BRUCE of that city as an available candidate. It is said that Representative MCKNIGHT of Mason county will cast his vote for Hon. J. N. KENOE of this city.

"A TEXAS STEER."

On Monday night "A Texas Steer" will be given at the Washington Theater. The plot depicts life in Washington, and the trials and tribulations of a countrybred Congressman, who has more wealth than refinement and social education, and whose path is beset on all sides with difficulties. The office-seekers who thrive by thousands in Washington are depicted in a manner that should be a warning to those who aspire to draw a government salary. The company that comes to this city is one of the best that has ever appeared in the city.

The steamboat companies have been having trouble all summer with roustantons and deckhands, who have refused to work only when they want to and at wages higher than the situation demanded. At the present time, however, there is an abundance of labor offered on account of so many men getting out of employment on railroads and in factories. The packets are still paying good wages, about \$40 a month and board and lodging.

Tired Nervous Women Make Unhappy Homes

MRS. NELLIE MAKHAM

MRS. GEO. A. JAMES

A nervous irritable woman, often on the verge of hysterics, is a source of misery to everyone who comes under her influence, and unhappy and miserable herself.

Such women not only drive husbands from home but are wholly unfit to govern children. The ills of women act like a fire brand upon the nerves, consequently seven-tenths of the nervous prostration, nervous despondency, the "blues", sleeplessness, and nervous irritability of women arise from some organic derangement.

Do you experience fits of depression with restless alternating with extreme irritability? Do you suffer from pains in the abdominal region, backache, bearing-down pains, nervous dyspepsia, sleeplessness, and almost continually cross and snappy? If so, your nerves are in a shattered condition and you are threatened with nervous prostration.

Proof is monumental that nothing in the world is better for nervous troubles of women than Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Thousands and thousands of women can testify to this fact.

Mrs. Nellie Makham, of 151 Morgan St., Buffalo, N. Y., writes:—

Dear Mrs. Pinkham:—

"I was a wreck from nervous prostration. Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs and today holds the record for the largest number of actual cures of female diseases of any medicine the world has ever known, and thousands of voluntary testimonials are on file in the laboratory at Lynn, Mass., which testify to its wonderful value.

I suffered so I did not care what became of me, and my family despaired of my recovery. Physicians failed to help me. I was urged to try Lydia E. Pinkham's Vegetable Compound and I want to tell you that it has entirely cured me. I think it is the finest medicine on earth and I am recommending it to all my friends and acquaintances.

Mrs. Geo. A. James, a life-long resident of Fredonia, N. Y., writes:—

Dear Mrs. Pinkham:—

"I was in a terribly run down condition and had nervous prostration caused by female trouble. In fact I had not been well since my children were born. This condition worked on my nerves and I was irritable and miserable. I had tried many remedies without getting much help but Lydia E. Pinkham's Vegetable Compound brought me back to health and strength. It has also carried me safely through the Change of Life. I cannot too strongly recommend your medicine."

Mrs. Pinkham's Invitation to Women

Women suffering from any form of female weakness are invited to communicate promptly with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful.

WORTH CONSIDERATION

When buying from a jewelry store wouldn't you consider it very important to feel there is absolutely no question about quality? When you buy here you don't pay any more, perhaps less, than in an indifferent store, but you are certain about quality. That point alone is more important in choosing Diamonds, Jewelry, Watches and Silverware than any other merchandise.

WILL CONTEST

Former Maysville Woman Interested in Bracken County Suit

The split of Mrs. Peter Boughner, of Cincinnati, formerly of Maysville, and Dr. J. N. Patterson of Kansas City, Mo., seeking to break the will of John W. Bowman, commenced Monday at Brooksville with Judge James P. Harrison on the Bench.

John W. Bowman died two years ago and a will was filed by his wife Nora L. Bowman, drawn in 1870, and probated. By this will he left his wife his entire estate of \$35,000 in cash and real estate.

Having no children, the legal heirs of Mr. Bowman filed suit, claiming a will of more recent date in which he left certain amounts of money to relatives.

The case is strongly contested, attorneys being present from this city and Covington.

The jury has been selected, and the first witness in the box was N. J. Stranbe, President of the Farmers' Bank of Augusta, and one of the Executors of the will.

Our Colored Citizens.

There will be a free lecture and Pie Social at Stott M. E. Church tonight. Rev. E. L. Gilliam from Columbus, O., will deliver the address.
